

Signs of Spring

Nature Walk Prompts

What do you see?

- Trees budding and flowering.
- Spring flowers blooming.
- Birds building nests.
- Turtles sunning themselves on rocks.

What do you hear?

- Busy bees collecting nectar.
- Birds singing and calling to each other.
- Woodpeckers drumming on trees.
- Frogs peeping.

What do you smell?

- The fresh damp scent of rain (petrichor).
- An earthy scent coming from the ground (geosmin).
- Freshly cut grass.
- The soft, sweet scent of flowers and blossoms.

What do you feel?

- Warm sunshine on my face.
- Raindrops falling on my head.
- Wet, slushy snow beneath my feet.
- Slippery slimy worms.
